## WELL WISHES FOR SCHOLARSHIP WINNERS

The Osceola Community Health Foundation (OCHF), Partners of Osceola Medical Center (OMC) and Osceola Medical Center Physicians are sending best wishes to five scholarship recipients as the school year begins.

David Murphy, of Osceola, received a scholarship from OCHF to support him as he begins a degree in Biology from the University of Minnesota - Duluth. With support from her OCHF scholarship, Alanna Vossen, of St. Croix Falls, will be pursuing a nursing degree at University of Minnesota – Rochester.

Sarah Elmer is the high school recipient of the Partners of OMC scholarship, who is pursuing a Physical Therapy degree from University of Wisconsin- La Crosse. Shannon Tomforhrde will start her third year of medical school at University of Wisconsin –Madison with support from the Partners of OMC Continuing Education Scholarship.

Bailey Ebert has been awarded the OMC Physicians Fund Scholarship her Pre-Med degree at Concordia College this fall.

Applications for these scholarships are due no later than April 1<sup>st</sup> of each year. For more information about these scholarships go to [www.myochf.org/grant\\_scholarship.html](http://www.myochf.org/grant_scholarship.html).

OCHF, Partners of OMC and the OMC Physicians wish the scholarship recipients and all students a great start to the school year!
